

UCLA Army ROTC Bruin Battalion Spring 2017 Week 1

Highlights of T-Week

Operation Order (OPORD) Lab
Battle of Wanat Virtual Presentation
Major Tilman's Promotion
FTX Recon at Camp Pendleton

Commander's Comments:

Welcome back Bruin Battalion! This semester's storyboard will kick off with a throwback of the Fall Dining-In. This week underclassmen learned how to construct and brief OPORDs, while MS3s reviewed and constructed

OPORDs based off limited information and created maps to aid their briefs. MS4s also conducted a FTX Area of operations recon.

Planned Events T+1:
Special Teams Lab
