

# UCLA Army ROTC Bruin Battalion Spring 2017 Week 3

### Highlights of T-Week Battle Drills Lab

Commander's Comments:  
Bruin Battalion conducted battle drills lab this week at Chatsworth Park. Cadets first were introduced to squad movement formations and techniques then participated in three mission lanes, react to indirect fire, react to

contact, and squad attack. Cadets executed the mission lanes then conducted AAR's to aid the squads understanding of the mission.

Planned Events T+1:  
STX I Lab
