

UCLA Army ROTC Bruin Battalion Spring 2017 Week II

Highlights of T-Week

Patrol Base Lab
OPAT Fitness Test

Commander's Comments:

Bruin Battalion conducted a patrol base lab this week at Chatsworth. Cadets executed patrol base operations and finished with a facilitated AAR. The battalion conducted the Occupational

Physical Assessment Test (OPAT) which consisted of dead lifts, med-ball toss, standing long-jump, and a sprint conditioning test.

Planned Events T+1:

FTX PCI
FTX Pack-out
